

Sonoma County Special District Roster

Prepared by the Auditor-Controller-Treasurer-Tax Collector's Office

Updated March 2026

Introduction

The Sonoma County Auditor-Controller-Treasurer-Tax Collector's Office (ACTTC) maintains a roster of Special Districts in the County, their contact information as well as their directors or Board members and their term expiration dates, where applicable.

The ACTTC sends out a request for updated information annually, compiles the updated information and makes it available to the public.

If you are a Special District and need to update any of the information on the your roster, please do so complete the [Special District Roster Update Form](#) and submit it to ACTTC-Administration@sonomacounty.gov.

This roster has a dedicated page for each district. To navigate to a specific Special District, you can use the click-able table of contents on the following page.

For more information on Special Districts in Sonoma County, we recommend visiting Sonoma County's Local Agency Formation Commission's (LAFCO) website at <https://sonomalafco.org>.
