| Important Questions   | Answers  | Why This Matters:  |
|---|--|--|
| What is the overall<br><u>deductible</u> ?                                | <b>\$1,000</b> individual / <b>\$1,000</b><br>individual family member / <b>\$2,000</b><br>family for certain medical services<br>per calendar year.   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services<br>covered before you meet<br>your <u>deductible</u> ? | Yes. <u>Preventive care</u> and other<br>services as indicated in the chart<br>starting on page 2 are covered<br>before you meet your <u>deductible</u> .  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount.<br>But a <u>copayment</u> (copay) or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain<br><u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of<br>covered <u>preventive services</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits/</u> . |
| Are there other<br><u>deductibles</u> for specific<br>services?           | No.  | You don't have to meet <u>deductibles</u> for specific services.   |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ?   | <b>\$3,000</b> individual / <b>\$3,000</b><br>individual family member / <b>\$6,000</b><br>family per calendar year.   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the <u>out-of-pocket limit</u> ?                  | <u>Premiums</u> , health care this <u>plan</u><br>doesn't cover and <u>cost sharing</u> for<br>optional benefits (infertility<br>treatment and chiropractic care)<br>elected by your employer group. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .   |

ML86 2025 v1.0.1

| Will you pay less if you<br>use a <u>network provider</u> ? | Yes. See<br><u>www.sutterhealthplan.org/provider</u><br><u>-search</u> or call 1-855-315-5800 for<br>a list of <u>network providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> .<br>You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance</u> <u>billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
|---|---|---|
| Do you need a <u>referral</u> to see a <u>specialist</u> ?  | Yes.  | This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .  |

# All <u>copayment</u> (copay) and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
