To reduce the amount withheld, Contractor has the option to provide County with either a full or partial waiver from the State of California.

2.4. Disallowance of Payment

In the event that Contractor claims or receives payment from County for a service, reimbursement for which is later disallowed by County, State of California, or the United States Government, then Contractor shall promptly refund the disallowed amount to County upon request, or at its option, County may offset the amount disallowed from any payment due or that becomes due to Contractor under this Agreement or any other agreement.

2.5. Overpayment

If County overpays Contractor for any reason, Contractor agrees to return the amount of such overpayment to County, or at County's option, permit County to offset the amount of such overpayment against future payments owed to Contractor under this Agreement or any other agreement.

2.6. Budget Line Amendments

County Department of Health Services Director is authorized to approve and execute a "Budget Revision Form," which revises program funds in the line items set forth in the Program Budget Summary, so long as changes do not result in an increase in County's maximum payment obligation as set forth in Article 2 (Payment) of this Agreement.

2.7.1. Required Information

3. Term of Agreement

The term of this Agreement shall be from _____ to _____ unless terminated earlier in accordance with the provisions of Article 4 (Termination).

4. Termination

4.1. Termination Without Cause

Notwithstanding any other provision of this Agreement, at any time and without cause, County shall have the right, in its sole discretion, to terminate this Agreement by giving 5 days' advance written notice to Contractor.

4.2. Termination for Cause

4.4. Payment Upon Termination

Upon termination of this Agreement by County, Contractor shall be entitled to receive, as full payment for all services satisfactorily rendered and reimbursable expenses properly incurred hereunder, an amount which bears the same ratio to the total payment specified in the Agreement as the services satisfactorily rendered hereunder by Contractor bear to the total services otherwise required to be performed for such total payment; provided, however, that if services which have been satisfactorily rendered are to be paid on a per-hour or per-day basis, Contractor

shall be entitled to receive as full payment an amount equal to the number of hours or days actually worked prior to the termination times the applicable hourly or daily rate; and further provided, however, that if County terminates the Agreement for cause pursuant to Section 4.2 (Termination for Cause), County shall deduct from such amount the amount of damage, if any, sustained by County by virtue of the breach of the Agreement by Contractor.

4.5. Authority to Terminate

The Board of Supervisors has the authority to terminate this Agreement on behalf of County. In addition, the Purchasing Agent or Department of Health Services' Head, in consultation with County Counsel, shall have the authority to terminate this Agreement on behalf of County.

5. Indemnification

Contractor agrees to accept all responsibility for loss or damage to any person or entity, including County, and to indemnify, hold harmless, and release County, its officers, agents, and employees from and against any actions, claims, damages, liabilities, disabilities, or expenses that may be asserted by any person or entity, including Contractor, that arise out of, pertain to, or relate to Contractor's or its agents', employees', contractors', subcontractors', or invitees' performance or obligations under this Agreement. Contractor agrees to provide a complete defense for any claim or action brought against County based upon a claim relating to such Contractor's or its agents', employees', contractors', subcontractors', or invitees' performance or obligations under this Agreement. Contractor's obligations under this Article apply whether or not there is concurrent or contributory negligence on County's part, but to the extent required by law, excluding liability due to County's conduct. County shall have the right to select its legal counsel at Contractor's expense, subject to Contractor's approval, which shall not be unreasonably withheld. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Contractor or its agents under workers' compensation acts, disability benefits acts, or other employee benefit acts.

6. Insurance

With respect to performance of work under this Agreement, Contractor shall maintain and shall require all of its subcontractors, consultants, and other agents to maintain insurance as described in Exhibit C (Insurance Requirements), which is attached hereto and incorporated herein by this reference (hereinafter "Exhibit C").

7. Prosecution of Work

The execution of this Agreement shall constitute Contractor's authority to proceed immediately with the performance of this Agreement. Performance of the services hereunder shall be completed within the time required herein, provided, however, that if the performance is delayed by earthquake, flood, high water, or other Act of God, or by strike, lockout, or similar labor disturbances, the time for Contractor's performance of this Agreement shall be extended by a number of days equal to the number of days Contractor has been delayed.

8. Extra or Changed Work

Extra or changed work or other changes to the Agreement may be authorized only by written amendment to this Agreement, signed by both parties. Changes which do not exceed the delegated signature authority of the Department may be executed by the Department Head in a form approved by County Counsel. The Board of Supervisors or Purchasing Agent must authorize all other extra or changed work which exceeds the delegated signature authority of the Department Head. The parties expressly recognize that, pursuant to Sonoma County Code Section 1-11, County personnel are without authorization to order extra or changed work or waive Agreement requirements. Failure of Contractor to secure such written authorization for extra or changed work shall constitute a waiver of any and all right to adjustment in the Agreement price or Agreement time due to such unauthorized work and thereafter Contractor shall be entitled to no compensation whatsoever for the performance of such work. Contractor further expressly waives any and all right or remedy by way of restitution and quantum meruit for any and all extra work performed without such express and prior written authorization of the County.

9. Representations of Contractor

9.1. Standard of Care

County has relied upon the professional ability and training of Contractor as a material inducement to enter into this Agreement. Contractor hereby agrees that all its work will be performed and that its operations shall be conducted in accordance with generally accepted and applicable professional practices and standards as well as the requirements of applicable federal, state, and local laws, it being understood that acceptance of Contractor's work by County shall not operate as a waiver or release.

9.2. Status of Contractor

The parties intend that Contractor, in performing the services specified herein, shall act as an independent contractor and shall control the work and the manner in which it is performed. Contractor is not to be considered an agent or employee of County for any purpose and is not entitled to participate in any pension plan, workers' compensation plan, insurance, bonus, or similar benefits that County provides its employees. In the event County exercises its right to terminate this Agreement pursuant to Article 4 (Termination), Contractor expressly agrees that it shall have no recourse or right of appeal under rules, regulations, ordinances, or laws applicable to employees.

9.3. Taxes

Contractor agrees to file federal and state tax returns and pay all applicable taxes on amounts paid pursuant to this Agreement and shall be solely liable and responsible to pay such taxes and

other obligations, including but not limited to state and federal income and FICA taxes. Contractor agrees to indemnify and hold County harmless from any liability which it may incur to the United States or to the State of California as a consequence of Contractor's failure to pay, when due, all such taxes and obligations. In case County is audited for compliance regarding any withholding or other applicable taxes, Contractor agrees to furnish County with proof of payment of taxes on these earnings.

9.4. Records Maintenance

Contractor shall keep and maintain full and complete documentation and accounting records concerning all services provided under this Agreement. Records shall include all medical records, accounting records, and administrative records related to services provided hereunder. Contractor agrees to preserve and maintain such records for a period of at least 10 years following the close of County and state fiscal year in which the services were provided. If an audit has been started, records must be retained until completion and final resolution of any and all issues that might arise. Final settlement shall be made at the end of the audit and appeal process. All accounting records shall be maintained so that they clearly reflect the source of funding for each type of service for which reimbursement is claimed by Contractor. Accounting records include, but are not limited to, all ledgers, books, vouchers, time sheets, payrolls, appointment schedules, client data cards, and schedules for allocating costs.

9.4.1. Right to Audit, Inspect, and Copy Records

Contractor agrees to permit County and any authorized state or federal agency to audit, inspect, and copy all records, notes, and writings of any kind in connection with the services provided by Contractor under this Agreement, to the extent permitted by law, for the purpose of monitoring the quality and quantity of services, monitoring the accessibility and appropriateness of services, and ensuring fiscal accountability. DHCS, the California Department of General Services, the Bureau of State Audits, or their designated representatives including the Comptroller General of the United States, are authorized agencies with the right to inspect and copy Contractor's records. All such audits, inspections, and copying shall occur during normal business hours. Upon request, Contractor shall supply copies of any and all such records to County. Failure to provide the above-noted documents requested by County within the requested time frame indicated may result in County withholding payments due under this Agreement. In those situations required by applicable law(s), Contractor agrees to obtain necessary releases to permit County or governmental or accrediting agencies to access patient medical records.

Contractor may, at its discretion, following receipt of final payment under this Agreement, reduce its accounts, books, and records related to the Agreement to microfilm, computer disk, CD ROM, DVD, or other data storage medium. Upon request by an authorized representative of County, state, or federal agency, Contractor must supply or make available applicable devices, hardware, and/or software necessary to view, copy, and/or print said records.

Contractor agrees to comply with all requests for information from the County necessary to fulfill the County's reporting obligations. This includes providing any reports prepared by the Contractor or its subcontractors, consultants, and agents, as well as any data or documentation required by the County. All information must be provided in a timely and accurate manner to ensure compliance with applicable reporting requirements.

9.5. Conflict of Interest

Contractor covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, that represents a financial conflict of interest under state law or that would otherwise conflict in any manner or degree with the performance of its services hereunder. Contractor further covenants that in the performance of this Agreement, no person having any such interests shall be employed. In addition, if requested to do so by County, Contractor shall complete and file and shall require any other person doing work under this Agreement to complete and file a "Statement of Economic Interest" with County disclosing Contractor's or such other person's financial interests.

9.6. Statutory Compliance/Living Wage Ordinance

Contractor agrees to comply, and to ensure compliance by its subconsultants or subcontractors, with all applicable federal, state and local laws, regulations, statutes and policies, including but not limited to the County of Sonoma Living Wage Ordinance, applicable to the services provided under this Agreement as they exist now and as they are changed, amended, or modified during the term of this Agreement. Without limiting the generality of the foregoing, Contractor expressly acknowledges and agrees that this Agreement may be subject to the provisions of Article XXVI of Chapter 2 of the Sonoma County Code requiring payment of a living wage to covered employees. Noncompliance during the term of the Agreement will be considered a material breach and may result in termination of the Agreement or pursuit of other legal or administrative remedies.

9.7. Confidentiality

Contractor agrees to maintain the confidentiality of all patient medical records and client information in accordance with all applicable state and federal laws and regulations, including the requirement to implement reasonable and appropriate administrative, physical and technical safeguards to protect all confidential information. This Section 9.7 shall survive termination of this Agreement.

9.7.1 Artificial Intelligence Policy. Contractor agrees to comply, and to ensure compliance by its subconsultants or subcontractors, with the Sonoma County Information Technology Artificial Intelligence (AI) Policy. No County confidential, restricted, personal, proprietary, or protected data of any kind, including data that is not owned by the County, may be shared (copied, typed, interfaced, etc.) with these platforms. AI technology shall not be used to create work product that requires a professional license or certificate and AI technology shall not be used as a replacement for any review and certification by any other licensed professionals.

9.8. Nondiscrimination

Without limiting any other provision hereunder, Contractor shall comply with all applicable federal, state, and local laws, rules, and regulations in regard to nondiscrimination in the admission of beneficiaries, assignments of accommodations, treatment, evaluation, employment of personnel, or in any other respect because of race, color, ancestry, national origin, religious creed, belief or grooming, sex (including sexual orientation, gender identity, gender expression, transgender, pregnancy, childbirth, medical conditions related to pregnancy, childbirth or breast feeding), marital status, age, medical condition, physical or mental disability, genetic information, military or veteran status, or any other legally protected category or prohibited

basis, including without limitation, the County's Non-Discrimination Policy. All nondiscrimination rules or regulations required by law to be included in this Agreement are incorporated herein by this reference, including but not limited to the California Fair Employment and Housing Act. Contractor shall give written notice of its obligations under this clause to labor organizations with which it has a collective bargaining or other agreement. (Cal. Code Regs., Title 2, section 11105.)

9.9. AIDS Discrimination

Contractor agrees to comply with the provisions of Chapter 19, Article II, of the Sonoma County Code prohibiting discrimination in housing, employment, and services because of AIDS or HIV infection during the term of this Agreement and any extensions of the term.

9.10. Assignment of Rights

Contractor assigns to County all rights throughout the world in perpetuity in the nature of copyright, trademark, patent, and right to ideas in and to all versions of the plans and specifications, if any, now or later, prepared by Contractor in connection with this Agreement. Contractor agrees to take such actions as are necessary to protect the rights assigned to County in this Agreement, and to refrain from taking any action which would impair those rights. Contractor's responsibilities under this provision include, but are not limited to, placing proper notice of copyright on all versions of the plans and specifications as County may direct, and refraining from disclosing any versions of the plans and specifications to any third party without first obtaining written permission of County. Contractor shall not use or permit another party to use the plans and specifications in connection with this or any other project without first obtaining written permission of County.

9.11. Ownership and Disclosure of Work Product

All reports, original drawings, graphics, plans, studies, and other data or documents ("documents"), in whatever form or format, assembled or prepared by Contractor or Contractor's subcontractors, consultants, and other agents in connection with this Agreement, shall be the property of County. County shall be entitled to immediate possession of such documents upon completion of the work pursuant to this Agreement. Upon expiration or termination of this Agreement, Contractor shall promptly deliver to County all such documents which have not already been provided to County in such form or format as County deems appropriate. Such documents shall be and will remain the property of County without restriction or limitation. Contractor may retain copies of the above-described documents but agrees not to disclose or discuss any information gathered, discovered, or generated in any way through this Agreement without the express written permission of County.

9.12. Authority

The undersigned hereby represents and warrants that he or she has authority to execute and deliver this Agreement on behalf of Contractor.

9.13. Charitable Choice/Faith-Based Organizations

Contractor agrees and acknowledges that County may make funds available for programs or services affiliated with religious organizations under the following conditions: (i) the funds are made available on an equal basis for programs or services affiliated with non-religious organizations; (ii) the program funded does not have the substantial effect of supporting religious

activities; (iii) the funding is indirect, remote, or incidental to the religious purpose of the organization.

Contractor agrees and acknowledges that County may not make funds available for programs or services affiliated with a religious organization that (i) has denied or continues to deny access to services on the basis of race, color, religion, ancestry, national origin, sex, citizenship, or known disability; (ii) will use the funds for a religious purpose; (iii) will use the funds for a program or service that subjects its participants to religious education.

Contractor agrees and acknowledges that all recipients of funding from County must (i) comply with all legal requirements and restrictions imposed upon government-funded activities set forth in Article IX, Section 8 and Article XVI, Section 5 of the California Constitution and in the First Amendment to the United States Constitution; and (ii) segregate such funding from all funding used for religious purposes.

9.14. Sanctioned Employee or Subcontractor

Contractor agrees that it shall not employ in any capacity, retain as a subcontractor in any capacity, or use as a volunteer any individual or entity whose service is directly or indirectly, in whole or in part, payable by a Federal Healthcare Program (including Medicare and Medicaid) that is on any published federal or state lists regarding the sanctioning, suspension, or exclusion of individuals or entities. At a minimum, the Office of Inspector General List of Excluded Individuals/Entities (LEIE), California Department of Health Care Services Medi-Cal List of Suspended or Ineligible Providers (LSIP), and System for Award Management (SAM) must be checked prior to employment and monthly thereafter, and the Social Security Administration's Death Master File and National Plan and Provider Enumeration System (NPPES) must be checked prior to employment. In the event Contractor does employ such individual or entity, the Department of Health Services Compliance Officer must be notified immediately via Compliance Hotline 707-565-4999. Contractor agrees to assume full liability for any associated penalties, sanctions, loss, or damage that may be imposed on County by Federal Health Care Programs. Contractor shall not certify or pay any excluded subcontractor.

9.15. Compliance with County Policies and Procedures

Contractor agrees to comply with all County policies and procedures as they may relate to services provided hereunder, including, but not limited to, County's policies and procedures, manuals, programs, and processes related to selection, retention, credentialing and recredentialing providers, utilization management, quality management, compliance, grievances, appeals, and expedited appeals, advanced directives, and administrative manual.

9.16. Lobbying

If any federal funds are to be used to pay for any services under this Agreement, Contractor shall fully comply with all certifications and disclosure requirements prescribed by Section 319 of the Public Law 101-121 (31 United States Code Section 1352) and any implementing regulations, and shall ensure that each of its subcontractors receiving funds under this Agreement also fully complies with all such certification and disclosure requirements.

9.17. Subcontractors

Contractor agrees that any employees or agents of Contractor that assist Contractor in the provision of services shall also satisfy the requirements of this Agreement. In this regard,

Contractor understands and agrees that all obligations and prohibitions imposed on Contractor pursuant to this Agreement are equally applicable to each and every individual providing services through Contractor under this Agreement, and Contractor shall assure that such individuals agree to comply with such obligations and prohibitions.

9.18. Licensure and Staffing

Contractor warrants that it and all its employees and sub-contractors providing or supervising services under this Agreement have all necessary licenses, permits, and certificates to provide services under this Agreement, as required by applicable state and federal laws, rules, and regulations. Contractor agrees to maintain said licenses, permits, and certificates in good standing for the duration of this Agreement. A copy of each such licenses, permits, and certificates shall be made available upon request, not to exceed three (3) business days after the initial request, for inspection, review, and/or audit by authorized representatives and designees of County, state, and/or federal governments during the term of this Agreement and for the applicable records retention period. Failure to maintain said licenses, permits, and/or certificates in effect for the duration of this Agreement shall be deemed a material breach of this Agreement and constitutes grounds for immediate termination of this Agreement by County. Staff shall only function within the scope of practice as dictated by licensing boards/bodies. At all times during the term of this Agreement, Contractor shall have available and shall provide upon request to authorized representatives of County a list of all persons by name, title, professional degree, and experience who are providing any services under this Agreement.

9.19. No Suspension or Debarment

Contractor warrants that it is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in covered transactions by any federal department or agency. Contractor also warrants that it is not suspended or debarred from receiving federal funds as listed in the List of Parties Excluded from Federal Procurement or Nonprocurement Programs issued by the General Services Administration. If Contractor becomes debarred, Contractor has the obligation to inform County.

10. Demand for Assurance

Each party to this Agreement undertakes the obligation that the other party's expectation of receiving due performance will not be impaired. When reasonable grounds for insecurity arise with respect to the performance of either party, the other party may in writing demand adequate assurance of due performance, and until such assurance is received may, if commercially reasonable, suspend any performance for which the agreed return has not been received. "Commercially reasonable" includes not only the conduct of a party with respect to performance

under this Agreement, but also conduct with respect to other agreements with parties to this Agreement or others. After receipt of a justified demand, failure to provide within a reasonable time, but not exceeding 30 days, such assurance of due performance as is adequate under the circumstances of the particular case is a repudiation of this Agreement. Acceptance of any improper delivery, service, or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance. Nothing in this Article limits County's right to terminate this Agreement pursuant to Article 4 (Termination).

11. Assignment and Delegation

Neither party hereto shall assign, delegate, sublet, or transfer any interest in or duty under this Agreement without the prior written consent of the other party, and no such transfer shall be of any force or effect whatsoever unless and until the other party shall have so consented.
