HEALTH EQUITY RISING

80+ partner organizations

200+ individual participants

Health Equity Rising (HER) is a coalition of community leaders and multi-sector partners working together to end health and social inequities in Sonoma County.

Agenda for Action (AFA)

A community co-created roadmap to advance health equity in neighborhoods of loving focus.

CALL TO ACTION

Increase access to high-quality, affordable, multilingual health and wellbeing services

HER strategy: Community Information Exchange (CIE). Cross-sector partnership with common language and tools for care coordination.

CALL TO ACTION

Promote community agency and increase access to centralized resources through community hubs in prioritized neighborhoods

HER strategy: Tierra de Rosas. Leading development of a civic and cultural hub for the Roseland neighborhood.

Join an Action Team

HER convenes community members and partners in action team meetings and workgroups that carry forward the co-creation and execution of our goals and strategies.

Community Information Exchange (CIE) Action Team

A community-led governing body of partners and community leaders that guides the CIE toward equitable, person-centered care coordination.

THIS TEAM FOCUSES ON

- Strengthening connections between organizations
- Simplifying care coordination
- Ensuring culturally responsive practices
- Transparent, community-led decision-making and data governance

Program Manager
twitten@healthequityrising.org

Community Action for Health Equity (CAHE)

A community-led table of grassroots resident leaders, supported by HER, building the skills and partnerships residents need to lead decisions about their own health.

Areas of focus: both calls to action above.

WORKGROUPS

Communications | Outreach & Engagement | Tierra de Rosas Coalition
