Custody-to-Community Behavioral Health Pathway

Care Beyond Borders

Sonoma County Jail

Identify Kaiser Permanente members with behavioral health needs prior to release.

Care Coordination

Collaborative pre-release planning between Sonoma County Behavioral Health and KP.

KP Mental Health

Schedule appointments and connect to appropriate behavioral health services, including treatment, resources, and support.

Warm Handoff

Ensure a smooth transition with resource linkage, discharge planning, and care coordination across systems.

Community Support & Follow- Up

Ongoing engagement with community resources to promote stability, well-being, and long-term recovery.

Improved continuity of care | Reduced barriers to treatment | Stronger community re-entry
